

Visa Update

Thank you for praying with us about our visa situation. We have been granted a two year missionary visa, retroactive to September 28, 2005! There is no "final extension" stamp or any other restrictions. Guy is now free to travel to Mongolia as needed. This visa will allow us to stay until our scheduled furlough in June 2007. We are so thankful to the Lord for providing this blessing which allows us to transition to our furlough at a more convenient time for both family and ministry.

Listener Letter - From Shanghai

"Some of my colleagues and churchmates were converted through your broadcast. Some of them even dedicated themselves to be ministers. Many Christians here listen to your gospel programs everyday. Limited by low literacy, they do not send you any letter. You know, we do pray for you every Wednesday night during our prayer meetings in our church. We think that it is our duty. During the process of sanctification, I feel tired and frustrated sometimes but your messages refresh me. I am touched when I remember that you work hard for us nights and days. Indeed I don't have any excuse to be weak."

Prayer Corner:

-Travel mercies and wisdom for Guy as he travels to Mongolia several times over the next year to help out at WIND, FM.

-for wisdom as we decide where to send Matthew to school next year and for perseverance as we try to access programs that may help him to be able to go to tech school.

-Please continue to lift up the health of our family to the Lord. - Matthew continues to have trouble with ear infections and poor hearing. Please pray for wisdom for his doctor as they decide what steps to take.

-for wisdom for Chris as she conducts her annual testing and presents the results to the parents of her students.

-for the new station in Cagayan, Philippines Pray that the Lord will work through the local church to call a station manager and provide the operating funds for the station.

-for Lauren as she visits Korea June 5-14, that she will be able to see how God is at work in another culture.

-for an increased support level. Praise the Lord for raising up new donors and for faithful friends. Pray that monthly donors continue to increase.

-for Funds to Pay Tuition. Factoring in a 10% increase in tuition fees, we will need \$9,000 for the kids annual tuition in August.

Guy & Chris, COUNT US IN! As the Lord enables, we want to stay involved with your radio evangelism and education ministries reaching the lost in Asia.
