

## West Ministry Web Presence

In order to communicate better with everyone who is interested in our ministry we now have a web site, visit [www.guysprojects.com](http://www.guysprojects.com). There is a little of everything there including pictures and information you can share with your church.

## Visa Update

Matthew's visa continues to be in process, so don't stop praying!

PTL - Guy already has his passport back from the embassy with all of his new pages added in. Thanks for praying with us.

## Listener Responses

"It is a miracle that your radio station has become such a major part of my life. I never seriously thought about God before I began listening to you, and today I am a different man. I am a Christian."

"I was an atheist and trusted only science...marital failure and illness overwhelmed me so much that I didn't want to live. Last year, I happened to listen to Liangyou Radio and found the program, 'There is a God'. I was very moved when it mentioned how certain life is. Before closing the program, the broadcasting made an altar call. Almost involuntarily, I raised my hand to respond to his call...Incredible!"

Thank you for partnering with us we continue to bring Christ to the World by Radio.

## Prayer Corner:

**-For FEBC Philippines** as they go through the Experiencing God Bible Study, that God will challenge and encourage the staff.

**-For wisdom** as we begin to plan for furlough June 2007 and beyond

**-Travel mercies and wisdom for Guy** as he travels to Mongolia during November to help out at WIND - FM and for strength for Chris and the kids staying in Manila.

**-for Matthew** as finalizes his plans to go to tech school and puts in his applications. He wants to study sound technology.

**-Please continue to lift up the health of our family to the Lord.** - We have all been fighting various illnesses. Please pray for wisdom for Matt's doctor as she decides what steps to take with Matt's ears. PTL - his hearing is doing much better after his ear surgery.

**-for wisdom for Chris** as she continues to work identifying students in the elementary division that would benefit from Educational Therapy.

**-For the new station in Cagayan, Philippines** Pray that planning and contracts will go forward in a timely manner. Pray that the Lord will work to call a station manager and provide the operating funds for the station.

**-for an increased support level.** Praise the Lord for raising up new donors and for faithful friends. After the tuition bill, we are about \$3,000 in the hole. Not bad!

**Guy & Chris, COUNT US IN!** As the Lord enables, we want to stay involved with your radio evangelism and education ministries reaching the lost in Asia.
